

FireSafe and Firewise empowering residents to take risk reducing action!

Six Steps to become a Firewise USA Recognized site

- Form a board/committee comprised of residents and other wildfire stakeholders
- Obtain a wildfire risk assessment from Fire Department
- Host a minimum of one wildfire risk reduction educational outreach event, or related activity
- Develop a multi-year action plan based on the site's risk reduction priorities
- Meet the minimum wildfire risk reduction investment
- Create a Firewise USA® Portal account and submit an application to your state Firewise USA liaison

SCC Firesafe Council is your local partner to recognition

- Presents and plans with your committee on how to complete process
- Networks with fire agency partners to obtain your community risk assessment
- Workshop and presentation options to meet education outreach requirements
- Chipping program for initial home investment requirement
- Hazardous fuel reduction resources for multi-year plan
- Coaches committee and organizers through steps and application
