Dear Trina,

We are pleased to enclose our check in the amount of \$7,300 to be applied by the Saratoga Fire Protection District to the purchase of a rebuilt engine for the Fire District's historic Ford Model A Fire Engine, to be installed by Saratoga community volunteers in accordance with the grant application submitted to our Foundation.

Please also find enclosed a simple Project Report, which should be completed and returned to us after the project has been completed, but in any case within one year.

We would also like to invite you or another representative of the Fire District to an upcoming meeting of the Rotary Club of Saratoga so that you can make a brief presentation of 5 to 10 minutes to share with our members what your organization does and the purpose and impact of the project funded by our grant. Please let me know which of the following dates would work for you: March 13, 20 or 27 or April 10, 17 or 24. You can text me at 408-891-2901 or email me at rhansen@gibsondunn.com.

Thank you for the important work you do for our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Russ".
