Subject: Fire Marshal Report for January, 2026

Dear Commissioners:

Below are the Fire Marshal and Hydrant Inspection Reports for the Saratoga Fire Protection District, detailing monthly plan examination totals with year-over-year comparison, as well as the status of hydrant inspections, including outstanding inspections and identified repair needs.

Plan Reviews:

	January/2026	January/2025
1. Residential Projects:	12	26
2. Residential Fire Sprinkler Systems:	1	9
3. Early Warning Alarm System:	0	1
4. Commercial Fire Alarms:	0	0
5. Commercial Projects (New):	2	0
6. Commercial Projects (Tenant Improvement):	0	3
7. Commercial Projects (Finaled):	0	0
8. Commercial Sprinklers:	0	0

Hydrant Inspections:

Shift	#Assigned Inspections	# Completed Inspections	# Remaining Inspections	# Needing Repair
A	225	115	110	15
B	258	157	101	14
C	260	131	129	7

*2026 Hydrant inspection cycle started February 2, 2026.

Please feel free to contact me with any questions you may have regarding the data contained in this report.

Sincerely,

Hector R. Estrada
Assistant Chief, Fire Prevention
Santa Clara County Fire Department
Office: 408.341.4440
