Subject: Fire Marshal Report for February, 2026

Dear Commissioners:

Below are the Fire Marshal and Hydrant Inspection Reports for the Saratoga Fire Protection District, detailing monthly plan examination totals with year-over-year comparison, as well as the status of hydrant inspections, including outstanding inspections and identified repair needs.

Plan Reviews:

|  | February/2026 | February/2025 |
|--|---------------|---------------|
| 1. Residential Projects:                     | 19            | 12            |
| 2. Residential Fire Sprinkler Systems:       | 4             | 2             |
| 3. Early Warning Alarm System:               | 4             | 0             |
| 4. Commercial Fire Alarms:                   | 0             | 0             |
| 5. Commercial Projects (New):                | 6             | 0             |
| 6. Commercial Projects (Tenant Improvement): | 0             | 1             |
| 7. Commercial Projects (Finaled):            | 0             | 0             |
| 8. Commercial Sprinklers:                    | 0             | 0             |

Hydrant Inspections:

| Shift | #Assigned Inspections | # Completed Inspections | # Remaining Inspections | # Needing Repair |
|-------|-----------------------|-------------------------|-------------------------|------------------|
| A     | 225                   | 115                     | 110                     | 15               |
| B     | 258                   | 157                     | 101                     | 14               |
| C     | 260                   | 131                     | 129                     | 7                |

Please feel free to contact me with any questions you may have regarding the data contained in this report.

Sincerely,

Hector R. Estrada  
Assistant Chief, Fire Prevention  
Santa Clara County Fire Department  
Office: 408.341.4440
